CHANGES IN DOCTOR DRAFT LAW STUDIED

Washington (AP) — The Defense Department has proposed some changes in the doctor draft law, but the Budget Bureau wants the Pentagon to clarify some of those proposals before it stamps its approval on the changes.

Exactly what the Budget Bureau has in mind was not made known immediately, but Pentagon officials said they believe it had to do with the classification of military medical men.

The Defense Department released yesterday the text of proposed new legislation, designed to extend the Pentagon's authority to draft medical men beyond its June 30 expiration date. The proposals went to the Budget Bureau for review.

President Eisenhower has approved lowering the number of physicians to be drafted.

Robert Lovett, defense secretary under President Truman, said in his final report, issued last week, that more than 6,000 doctors, dentists and veterinarians would be needed as replacement in the fiscal year starting July 1 and that the replacement requirement in the following year would reach nearly 11,000.

Since the medical draft began in July, 1951, 5,146 doctors and 2,521 dentists have been called in to military service or earmarked for induction.

Eisenhower announced last month that the number of doctors to be drafted in the second quarter of 1953 will be lowered from 1,800 to 1,200. He said the cut-back was approved by top government officials.

In proposing an extension of the doctor draft law, the Defense Department cited the growth of the military medical services since the start of the Korean War. In June, 1950, there were 6,200 doctors in military service. Today there are about 13,700.

Parlor Politeness Sweetens Senators Squabble Over Chip

Washington (AP) — A pinch of parlor politeness sweetened the senatorial squabble over President Eisenhower's choice of a Moscow ambassador last night.

O., once opponents for the White House nomination but now united as administration leaders, shook hands with Sen. McCarthy (R-Wis.) The occasion was a reception at Taft's home.

McCarthy, one of an admittedly small group fighting Senate confirmation of Charles E. (Chip) Bohlen's nomination as ambassador, went to the party fresh from a round of hot debate on the topic.

Mrs. Taft planned the reception in honor of Mrs. Eisenhower, but it grew until a couple of hundred Washington notables, including the President and Cabinet and congressional members, wound up on the guest list.

High Interest Rate on Bonds For Beatty Addition Problem For Authority to Consider

Members of the Warren Area Joint School Authority are prepared to face consideration of a high interest rate on bonds which will be sold to construct the new addition to Beatty Junior High school as the result of contemplated action by the Corry jointure to drop plans for construction of a new school because of "fantastically high" interest rates offered for its bonds.

High interest rates have been paid here before. For example, on a 1928 bond issue it was necessary to pay \$1.78 for every dollar received, \$1.84 in 1929, \$1.50 in 1932, and \$1.25 in 1935. The lowest was \$1.24 in 1938 until last year when interest on the Jefferson school bonds was set at nine cents on the dollar for an 8-year issue.

While the amount needed at Beatty has been tentatively set at \$750,000, a much larger sum (\$1,325,000) is needed by the Corry jointure, representing a smaller community. Warren's credit is A-1, which will have considerable bearing on the interest rate.

Bonds of the Warren Area Joint School Authority are not likely to be offered for sale until June. Preliminary plans are to be presented on April 13 after which detailed plans must be submitted, approved here and by representatives in Harrisburg. Procurement of money for construction is practically the last step. It is planned that the bond issue here will be set up for 37 years, to be paid off in 30 years.

With the Corry jointure interest rate set by Blair, Rollins and Company at from 3½ per cent on the shorter term bonds to 4 per cent on \$1,325,000 of the long term issues which run until 1988, it was determined that the total interest rate of 3.96 would cost the taxpayers over 102 per cent of the issue.

"Frightening" was the word used by Supt. Lawrence Douglas in describing what the tax rate would be in the districts of Corry, Elgin, Columbus, Spring Creek, Wayne and Concord townships, the districts which go to make up a jointure for building of the proposed new school.

In attempting to explain the high rate of interest, Charles Peeler of the bonding firm, pointed out that the creation of scores of authorities, both school and other types, have created a bonanza for the bond buyers. Actually, he said, the Authorities are in the position of competing for the bond money available and under this law of supply and demand, interest rates have skyrocketed.

Another problem to contend with, he said, is that the state has not yet had an opportunity to revise its reimbursement set-up in line with soaring interest rates. Until now the state's maximum interest rate has been 3.07, telling school districts that if they exceed that figure they (the districts) must bear the additional interest costs without state help.

L. E. Graham, chairman of the Authority, upon reviewing computations on the tax millage which would be needed to offset the yearly rental payments, said they were of such size that he would not reveal them publicly at this time.

An indication of how far out of line the bond rates were as offered the Corry jointure comes in the announcement that C. C. Collins and Co., Philadelphia, bought \$3,255,000 of Chambersburg school bonds, Tuesday night, at an interest rate of 3.46 with a two per cent discount, the interest on the bonds running from 2½ to 3½ per cent.

WARPLANES AND ARTILLERY TURN OLD BALDY INTO SMOKING MASS OF DEATH

AMMO SUPPLY IS SOUND IKE TELLS PRESS

Washington (AP) — President Eisenhower said today the ammunition situation in Korea now is perfectly sound as compared with the type of operations going on there.

The President made this statement at a news conference during which he also defended his nomination of Charles E. (Chip) Bohlen to be ambassador to Russia. He said Bohlen, who has come under fire from a group of Republican senators, is the best qualified man and the nomination sticks.

Eisenhower's remarks about the ammunition situation in Korea were touched off by questions about the difference between the Pentagon and Gen. James A. Van Fleet.

He said he was told emphatically there was no such relationship. He said there has been a shortage of three items of ammunition in Korea but that the supply situation is improving.

1. Announced that he will recommend to Congress, within a few days, creation of a presidential commission to study federal-state relations in the fields of taxation, grants in aid and social security.

2. Said he has great admiration for Wesley Roberts, Republican national chairman.

3. Declared that if government employees are not willing to be entirely loyal to their superiors, they should resign.

4. Declared he does not believe any high government official should accept pay for leave earned but not actually taken.

5. Remarked that he and Secretary of Defense Wilson are trying in every possible way to get defense spending within manageable proportions.

6. Commented that a proposed constitutional amendment sponsored by Sen. Bricker (R-O) would in certain ways restrict his conduct of foreign affairs, but that he does not question the sincerity of Bricker.

Decline Reported in Retail Price Index

Washington, (AP) — Retail prices as measured by the government dropped four-tenths of one per cent between mid-January and mid-February. It was the largest price decline in any month of the past year.

Falling food prices were mainly responsible.

The Bureau of Labor Statistics said the retail price of food, clothing, housing and hundreds of other items bought by moderate income urban families was 113.4 per cent of the 1947-1949 average.

The index for Jan. 15 was 113.9.

Suspect in London Mystery Connected With Murder in '49

London (AP) — Police definitely established today that one of the "four bodies taken from a grim 'murder flat' was that of Mrs. Ethel Christie, wife of a clerk sought for questioning in the case. The search for her husband, John, was pressed in all parts of the British Isles. This 55-year-old mystery man had lived for 15 years in the seedy little apartment in the run down Notting Hill district. A brother made the identification of Mrs. Christie.

London (AP) — Scotland Yard pressed grimly ahead today with an inch-by-inch search of the drab "murder flat in Rillington Place," which already has yielded up the bodies of four strangled women — one of them six months pregnant.

Police in all parts of the British Isles, meanwhile, were on the lookout for John Christie, dapper, 55-year-old mystery man who had lived for 15 years in the seedy little tenement apartment in London's rundown Notting Hill district.

The gruesome discovery recalled testimony of a 1949 murder defendant purporting to link Christie with the strangling of a woman and child in the same house. Christie denied the accusations and the defendant, the woman's husband, was executed.

One of the dead women in the Christie apartment was identified last night as Hectorina MacLennan, 25, a London servant girl. Her brother said she had been missing from her home for about a month.

All four had been strangled with a thin cord or wire.

Neighbors reported Christie sold his meager furnishings late in January but was seen at the house as recently as last Friday.

Christie was a witness in 1949 against another tenant in the tenement, Timothy J. Evans, who was charged with strangling his wife Beryl and their 14-month-old daughter.

Evans protested his innocence to the end but was found guilty and hanged.

Pathologists Will Be Heard in Smutko Trial

Beaver, Pa. (AP) — Two pathologists stood by to testify today as the state neared the finish of its case against Mrs. Katherine Smutko, accused of slaying 15-year-old Margaret Bankowski in 1949.

The pathologists are Dr. Theodore Moritz and Dr. Lester Adelstein. Special Prosecutor Charles J. Margotti indicated he will rest the Commonwealth's case after their testimony.

A four-hour tape recording of a jail conversation between Mrs. Smutko and Zigmund Bankowski, father of the slain girl, took up the entire session yesterday in the murder trial of the 41-year-old Harmony Township housewife.

Custody Hearing Is Ordered in Battle For Tot's Adoption

Pittsburgh, (AP) — Mr. and Mrs. Arthur Marhofer of Meadville will get a chance to win legal custody of 22-month-old Sharon Ann Harvey, object of a long court battle between them and the child's mother.

The Pennsylvania Supreme Court refused yesterday to re-argue questions about adoption of Sharon Ann but ordered a custody hearing in Crawford County Common Pleas Court. No date was set.

In January the Supreme Court awarded legal custody of the girl to her mother, 19-year-old Mrs. Bonnie Sue Stanley of East Bank, W. Va. But the Marhofers filed objections, challenging the fitness of Mrs. Stanley as a mother.

Sharon Ann, born out of wedlock in a Pittsburgh founding home, was placed with the Marhofers when she was five months old. She is remaining with them pending final disposition of the case.

The Supreme Court assigned Judge Lloyd Weaver of Clarion County to hear testimony in the custody hearing. He is to report his findings and make recommendations as to whom he thinks should have legal custody of Sharon Ann.

PRO TENNIS PLAYER SENTENCED TO PRISON

New York (AP) — John Robert Howard, former husband of actress Diana Barrymore, pleaded guilty today to a charge of transporting a woman across state lines for prostitution purposes.

Howard, fifth ranking professional tennis player, was sentenced immediately by Federal Judge Gregory F. Noonan to a year and a day in jail.

The 28-year-old defendant had been accused of taking a woman from California to New York in 1948.

200,000 Motorists Due to Receive '53 License Plates Late

Harrisburg (AP) — The State Revenue Department said today some 200,000 Pennsylvania motorists will receive their 1953 license plates late this year. Present plates expire March 31 for the 3,500,000 automobiles registered in the state.

A spokesman said the recent prison riot at Western State Penitentiary in Pittsburgh in January caused the shortage of plates for the new licensing period starting April 1.

The department will issue special cards to those motorists who have applied for license plates but do not receive them before the deadline.

By April 10, the department said, all the new plates should be in the hands of automobile owners. In a memorandum to state police, the department said special operating authority cards will be issued to car owners who do not receive plates.

The plates are manufactured at Western State Penitentiary in Pittsburgh. A riot there in January caused some damage in the plate shop.

Youth From Titusville On Missing Seaplane

San Juan, Puerto Rico, (AP) — The Navy announced yesterday they have abandoned the search for a PBX Mariner seaplane missing since last Sunday with 11 crewmen aboard.

Among those listed as missing were Aviation Machinists Mate 1/c Wallace James Livingston, of Masontown, Pa., and Aviation Machinists Mate 3/c Robert Lee Harrington, son of Mrs. Helen Come, of East Spring St., Titusville, Pa.

SMETHPORT ATTORNEY FAVORED FOR JUSTICE

Pittsburgh (AP) — Atty. Joseph P. Wilson of Smethport in McKean County is the reported choice of the state's two U. S. senators for judge of the U. S. district court for Western Pennsylvania.

Republican Senators James H. Duff and Edward Martin recommended Wilson with Atty. John W. McIlvaine of Washington for U. S. attorney in the district, according to published accounts.

Duff and Martin said yesterday only that they had submitted six names to the attorney general's office in Washington to fill three judicial and three district attorney posts in the state.

WESTMORELAND HOME MANAGEMENT PANNED

Greensburg (AP) — Charges hurled at Westmoreland County commissioners by a group of irate housewives included an accusation that deceased inmates of the county home are carried to their graves "on a manure spreader and buried like dogs."

More than a score of women, some accompanied by husbands, had a hot three-hour session with commissioners yesterday. The women said they are conducting their own investigation of the county home.

THIRTY WARREN COUNTY young men left on the Wednesday night eastbound train for Harrisburg to be inducted into the Armed Forces today, and an immense crowd of relatives and friends bade them farewell and Godspeed at the Pennsylvania railroad station. Perched on a baggage truck, the popular Harmony Boys, Bill Knightlinger, Bill Lehman and Bob Deamer, gave them a rousing send-off with rollicking tunes. The Salvation Army Band was on hand with a program of numbers. Jack Barr, commander of the American Legion, and Bob Harrison, commandant of the Marine Corps League, mingled among the crowd. In the above picture are the following draftees: Leader Edward D. Shanshala; Asst. Leader Lee L. Genberg, Harry L. Allen, James A. Anthony, Raymond A. Bower, Charles E. Chido, Sydney F. Death of Regal Matriarch Is Cue for Windsor to Return to England; London Paper Says

London (AP) — As Britain prepared to bury its beloved Queen Mary, Lord Beaverbrook's Daily Express said today the death of the regal matriarch is a cue for her eldest son, the Duke of Windsor, to return to England to live.

"Let the mourning end his exile," declared the heading over an Express editorial. The newspaper did not mention the duke's American-born duchess, the former Wallis Simpson, but presumably it favors her returning with her husband.

Windsor is now in England, having cut short a Florida vacation to rush to his mother's bedside when her fatal illness was first announced. The duchess remained in New York.

In a moving tribute to the queen grandmother, who died Tuesday night at 85, Prime Minister Churchill declared she "was loved and revered far and wide, as perhaps nobody has been since Queen Victoria."

Messages of condolence flowed into the royal court from throughout the world as preparations for Queen Mary's funeral Tuesday and the June 2 coronation of her granddaughter, Queen Elizabeth II, went forward.

Before the service the body will lie in state in historic Westminster Hall adjoining the Houses of parliament.

Greensburg Slayer Is Doomed to Die in Chair

Pittsburgh, (AP) — Dominick Daverse, 40-year-old wife slayer from Greensburg, must die in the electric chair Monday, the Pennsylvania Supreme Court ruled today. The words "petition denied" sealed his fate. That meant Daverse lost his fight to win a 17th delay in his scheduled execution for shooting down his wife, Theresa, on a Greensburg street back in April of 1947.

Daverse had asked the high court for a writ of habeas corpus. That would have brought him before the justices so that he could argue he should have a new trial.

Various legal maneuvers have won him 16 reprieves. But now the schedule calls for him to be taken from the Westmoreland County Jail over the weekend to the Rockview Branch of the Western Penitentiary, near Bellefonte, for his execution.

LAST SECTION OF VITAL HILL IS ABANDONED

Seoul (AP) — Chinese Reds slashed out with new attacks in Western Korea late today, while Communists holding shell-rubbed Old Baldy 23 miles away, took terrible punishment from U. S. guns and war planes.

One attack by about 750 Reds was stopped on Bunker Hill, five miles east of the truce talk village of Panmunjom, early reports said.

Allied troops on a nearby outpost beat off another assault by a force of about 150 Reds.

At two other outposts in the area, fighting raged on four hours after the first attacks. There was no estimate

CLARK NOT DISTURBED OVER LOSS OF BALDY

Tokyo (AP) — Gen. Mark Clark, U. N. Far East commander, said tonight he does not think the loss of Old Baldy on Korea's Western Front is a serious blow, but "it is always serious when we lose people."

The general arrived tonight from a 10-day swing through Southeast Asia.

He told reporters there is no indication the Chinese assault foreshadows a spring offensive by the Communists.

of the number of Reds involved. Reds and Allies fought hand to hand at the positions.

The attack in the Bunker Hill area could be a Red diversion intended to relieve the deadly pressure on Old Baldy, almost obscured by the dust and smoke raised by Allied artillery and mortar fire and bomb bursts since American troops abandoned it to victorious Chinese.

All day long the Western Front hill rocked under intense fire as the Americans tried to root out the stubborn Reds who handed (Turn to Page Thirteen)

Changes Proposed in Senatorial Districts

According to word from Harrisburg today the proposed legislative reapportionment legislation, requested by Governor Fine in his opening message to lawmakers in Harrisburg, would eliminate the present 48th district, composed of Warren and Venango counties, and create a new district to be known as the 41st, which would combine the counties of Warren, Venango, McKean, Potter and Forest.

Under such a setup the senators from the newly-created district would be called upon to serve an estimated 186,000 persons. Senator James Berger, of Coudersport, former Warren resident, is the present senator from the 25th district, composed of the counties of McKean, Potter and Tioga.

In event the proposed change adopted the five counties would be represented by one senator, which would involve offices now held by both Senators Chapman and Berger.

HIGHWAY FATALITY

DuBois (AP) — Injuries suffered in an auto-truck crash proved fatal today to Mrs. Mary Knight of Grovenhurst, Ont. She was injured yesterday when an auto operated by her husband, Thomas A., collided with a truck at the intersection of Routes 322 and 119 three miles east of here. The husband escaped serious injury.

'Jaycees Say Don't Jaywalk'

Sam Rich, 124 Russell street, was the first person to profit by identifying a Mystery Jaywalker. Late this morning he spied Richard Scallise, member of the Jaycees, "jaywalking" across Second avenue toward the Warren Bank and Trust Co. Accosting him with the official slogan "Jaycees Say Don't Jaywalk," Scallise immediately presented Rich with a \$2.00 reward.

All residents are urged to be alert for Mystery Jaywalkers for similar compensation. As a part of the JayCee Pedestrian Safety Campaign, the battered remains of a 1950 model Ford are on display for the rest of this week in front of the Warren Bank and Trust Company. This car, made available for the safety campaign by Warren County Mo-

tors, was a death car for four persons some time ago. The wreck was an Ohio car and the accident took place on Route 62. It has been placed on the Masterson lowboy trailer in the center of town to give impact to passing pedestrians and motorists of the dangers of highway carelessness.

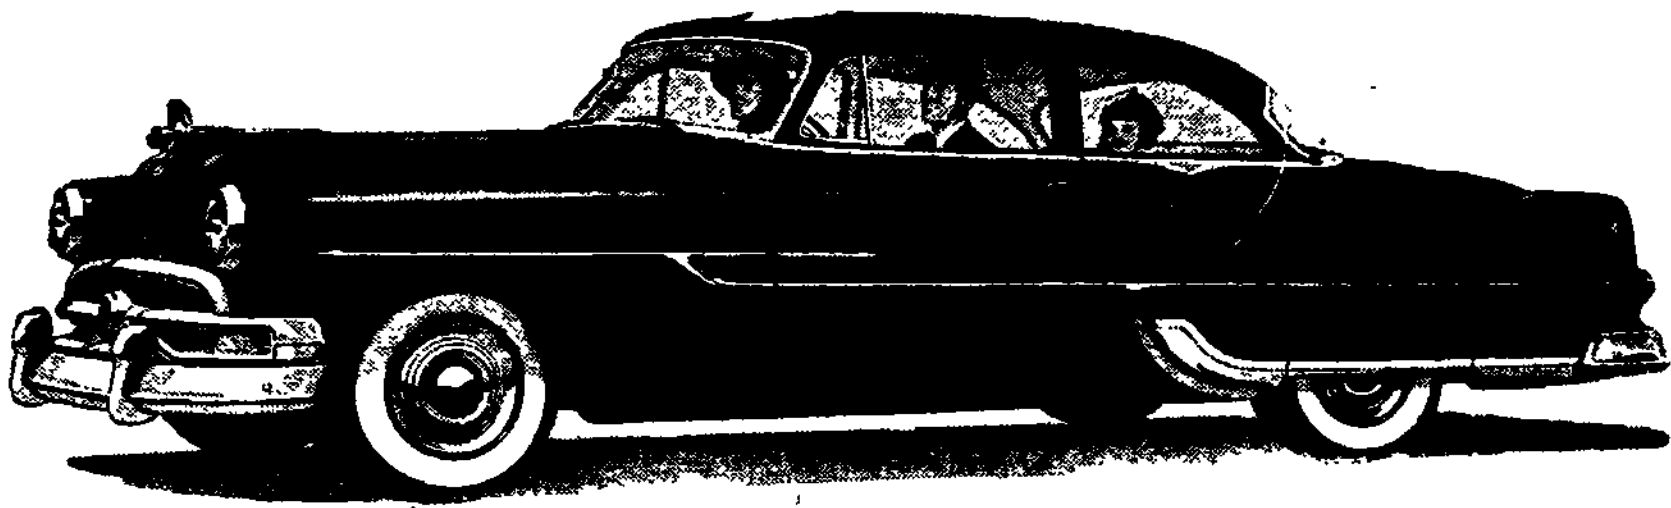

The Mystery Jaywalkers began roaming the streets this noon and will continue to be jaywalking on the streets through Saturday evening. Anyone identifying a Mystery Jaywalker will receive a cash award. The necessary identification is "JayCees Say Don't Jaywalk."

Anyone who jaywalks to identify a Mystery Jaywalker will be disqualified from winning an award.

Hospital Needs and Aid Service Discussed

Acting upon the suggestion of Mrs. Hazel Smith, superintendent of Warren General Hospital, 25 active members of the Red Cross Nurse Aide group gathered in the doctors' library at the hospital Tuesday afternoon for an informal discussion of the institution's needs and the Aide service program.

Mrs. Merle Deardorff, chairman of the Nurse Aide service to the Red Cross Blood Program, and Mrs. Harold Baker, general chairman of the Aide service, were present to represent the Warren County Red Cross Chapter.

The Aides have volunteered their services in the county civilian defense program and this phase came up for some consideration.

There was also a general discussion of the Aide duties in co-operation with the registered nurses and of the new schedule set up for Aide work at the hospital. Any active RCNA not in attendance but wishing to continue her work is asked to contact Mrs. Smith at the hospital.

Mrs. Smith expressed the hospital's gratitude for the Aides' work and the wish that this outstanding volunteer program may be continued thousands of hours of volunteer service have been given since the inception of the program, many of the Aides working regularly since the start.

Mrs. Deardorff and Mrs. Clifford Mader, R.N., presided at a beautiful tea table appointed in an Easter theme.

Talk on the Early Theatre in Warren Proves Interesting

An interested group heard Attorney J. H. Alexander present a history of "The Early Theatre in Warren" last evening during the historical meeting at the Public Library. The theatre in Warren commenced in 1854 or slightly earlier and continued until about 1911.

Plays presented here were of the highest calibre and the best actors played at Roscoe Hall and later at Library Hall, now the location of the Library Theatre. Some of the most famous who came to Warren included Mrs. Fish, Tom Keene, Otis Skinner, Tyrone Power, Sr., Cecil DeMille, Marie Dressler and others.

History has it that on an Easter Sunday morning in Warren, Otis Skinner proposed to his future wife. They played in the same road company and had acted here the Saturday night before Easter. On Sunday morning they attended the Episcopal church services and many Warrenites still remember that service.

Warren was rather a small town to have good theatre but after Thomas Struthers built Library Hall and presented it to the town in 1883, the facilities were excellent and the troupe could be booked.

Mr. Alexander's talk was a masterpiece of history well larded with pleasant humor and interesting tales.

Past Grands Planning Meeting at Youngsville

The Past Grands' Council of Warren and Forest counties is sponsoring an open meeting with entertainment Saturday evening at eight o'clock in the hall of Brokenstraw Lodge, I. O. O. F., at Youngsville, and those in charge are looking for a record attendance since it is expected that Odd Fellow and Rebekah lodges in thirteen counties will be represented.

A feature of an unusually interesting program of entertainment will be the appearance of the famous Waterford drill team. Speaker during the evening will be the Rev. C. C. Ross, of Youngsville, a member of the order.

Howard of the Jamestown Navy Recruiting office. He will take his 11 weeks of boot training at the Bainbridge Md., training station.

RUSH TO BEAT DEADLINE
Deadline for 1952 automobile license plates is Tuesday midnight, and no one is more aware of that than the staff of the Warren County Motor Club, at their new office in Times Square. For the past couple weeks Motor Club officials have been doing a booming business in securing plates for motorists within 48 hours after taking applications.

AT MARCONI CLUB
Don and Maria Nardo, known as "the Mr. and Mrs. Of Song," will be at Marconi Outing club for two shows Saturday night and Sunday night. It was announced by President Lew Critelli today. These singers, who have been heard here on previous occasions, are en route to New York for TV auditions and will be pleased to greet their many Warren friends at the club.

EMERGENCY CASES
Treated at Warren General Hospital emergency ward yesterday were the following persons: Mrs. Jennie Beck, 105 Jefferson avenue, who suffered a fractured right shoulder in a fall from a chair; Jeffrey Coates, 34, 206 N. Irvine street, who sustained an injury to his left hand in a fall from a toy wagon; and Joseph Fazio, 1112 Madison avenue, employed at Struthers-Wells, who sustained a severe contusion of the left thumb when it was caught between steel plates. All were discharged after treatment.

CONSTRUCTION BOOM
Figures from the Department of Labor and Industry in Harrisburg indicate that construction in Pennsylvania took a sharp upsurge during February, with more than 1000 additional permits issued and an estimated upward cost of more than eight million dollars over January. Principal rise in permits issued was for residential building. Warren borough lists two for residential construction, three for non-residential, and one for alterations and repairs. Youngsville, the only other county town listed, shows none on the report.

Radio, TV Repairmen To Face Examinations
Harrisburg (AP)—Radio and television repairmen would be required to pass certain examinations and would be regulated by state under a new House bill. Sponsored by Rep. Vincent F. Lendore (R-Luzerne), the measure would set up a five-man state board of examiners of radio and television service technicians. All members would be radio or television servicemen for at least five years.

Bill Would Add Two Members to House
Harrisburg (AP)—House membership would be increased from 206 to 210 under a reapportionment bill proposed by the Pennsylvania League of Women Voters. The measure was introduced for the league yesterday by Reps. Thomas H. W. Jones (R-Allegheny) and Harry E. Seyler (D-York). It is similar to a plan under study by the Senate Reapportionment Committee.

INJURED BY RAKE
Suffering a laceration over the right eyebrow when he stepped on a rake, causing the handle to hit him on the forehead, Milton E. Eashart, 47, of Union City was taken to the hospital there early Tuesday morning for treatment, after which he was discharged.

LOSER CLAIMS CHOPPERS
The set of false teeth which popped out during the rush at Thirteenth and Liberty Streets in Franklin on Saturday evening have found their way back to the owner, thanks to an assist from the police force. The owner celebrated the recovery by enjoying a good supper Monday evening, according to information furnished the press.

FEWER TURKEYS
Pennsylvania farmers have expressed intentions to raise 10 per cent fewer turkeys this year than in 1952, the State Department of Agriculture announced. As of January 1 this year, farm holdings of turkeys, excluding turkey fryers, numbered 224,000—three per cent below a year previous but 26 per cent above the 1951 average. At that time there were 10 per cent fewer breeder hens on Pennsylvania farms than a year earlier.

MAY ASK BIDS
The joint authority formed to finance construction of a new Cochran Area Junior-Senior High School will meet this evening to review working plans and specifications for the building. A deadline for bids may be set at the meeting, now that plans for the structure have been approved by state agencies, except for one detail. The site chosen is at the north end of the borough along Route 322.

CLINICAL SESSIONS
Dr. J. T. Valone, Market street, left last evening for Buffalo, where he will spend the remainder of the week attending clinical meetings of the Alumni Association of the School of Medicine, University of Buffalo. Sessions will be held at the Medical School and Children's Hospital, as well as general meetings at the Hotel Statler, and a fine array of speakers includes such names as Dr. Frank Lehey, surgical director of the Lehey Clinic in Boston. Dr. Valone will be back in his office starting Monday.

AVERAGE OIL PRODUCTION
The daily average production of crude oil and lease condensate for the week ending March 14 was 6,449,950 barrels according to a release by the American Petroleum Institute. This amount includes 97,850 barrels of lease condensate mixed with crude oil, losing its identity as such. Reports received from refining companies indicate that the industry as a whole ran to stills on a Bureau of Mines basis approximately 7,060,000 barrels of crude oil daily and produced 23,147,000 barrels of gasoline; 2,425,000 barrels of kerosene; 10,544,000 barrels of distillate fuel oil; and 9,318,000 barrels of residual fuel oil during the week. In storage there were 160,869,000 barrels of finished and unfinished gasoline; 18,640,000 barrels of kerosene; 62,545,000 barrels of distillate fuel oil; and 42,284,000 barrels of residual fuel oil on March 14.

"THANKS, YOU SAVED MY LIFE!"

In connection with the forthcoming visit of the Buffalo unit of the Red Cross Bloodmobile at the Lexington avenue plant of the Sylvania Electric Products, Inc., next Wednesday, it is interesting to note that an extensive educational campaign to inform its policy-holders and others that their blood is urgently needed now in support of the blood donor program of the Red Cross and cooperating agencies is being carried on this month throughout the nation by the Metropolitan Life Insurance Company's agents and other field representatives.

The appeal's immediate urgency, according to Leroy A. Lincoln, board chairman of the company, is based largely upon the expansion of the blood service program this year to provide gamma globulin, a blood derivative, for use as protection against the paralytic effects of polio.

"Provision must be made now for the processing and storing of gamma globulin, so that it will be ready for use during the summer months when polio strikes most frequently," Mr. Lincoln points out. "Meanwhile, the Red Cross must continue to supply blood and plasma for the Korean battlefield, must store quantities of blood for military and civilian defense, and maintain a supply for sickness and injury cases of civilians."

A key activity in the campaign for blood donors will be the distribution by the insurance men, some 19,000 in number, of a pamphlet titled, "Thanks, You Saved My Life!" which sets forth the importance of meeting the increased need for blood. The publication will also be made available to the company's 10,000 medical examiners in the United States. This pamphlet has been published by the Metropolitan with the cooperation and advice of the Red Cross, the Department of Defense, and the Federal Civil Defense Administration. Copies will be available to the public at the insurance company's offices throughout the United States and at all Red Cross and Civilian Defense headquarters.

The current blood donor campaign coincides with the annual Red Cross fund-raising campaign, in which Mr. Lincoln is serving as national chairman.

HERE and THERE

Here are a few "firsts" in rail-roading as listed in a release just received from a nationally-circulated clip-sheet:

First all-electric dining car in the United States introduced by the Illinois Central Railroad, March 9, 1949.

First railroad wye in the United States is believed to have been built by the Baltimore & Ohio Railroad at Frederick Junction, Maryland, in 1831.

First all-steel railway bridge in the world completed across the Missouri River at Glasgow, Missouri, in 1879, for Chicago & Alton Railroad (now the Gulf, Mobile & Ohio).

First diesel-powered, streamlined train to cross the continent ran from Los Angeles to New York City October 22-25, 1934, making the 3,258-mile trip in 56 hours 55 minutes. The over-all speed was 57.2 miles per hour. The route was over the lines of the Union Pacific, Chicago & North Western and New York Central systems.

First permanent code of per diem rules for car hire put into effect by the railroads of the United States on July 1, 1902.

First dynamometer car for measuring the drawbar pull exerted by locomotives was invented by Dr. Plimmon Henry Dudley of Cleveland, Ohio, in 1874.

First steam-heated passenger cars placed in service in 1881, replacing cars heated by stoves and hot water heaters.

First passenger train west of the Mississippi River began regular operations on the Pacific Railroad (now part of the Missouri Pacific) on December 9, 1892.

First great circus to be transported by rail began touring the country in 65 cars in 1872. Many of the cars were specially built for the purpose. Phineas T. Barnum was the showman.

First locomotive to haul a train of cars in regular service on an American railroad was the "Best Friend of Charleston." It was placed in service on the South Carolina Railroad (now the Southern) at Charleston, December 25, 1830.

Terse, Tart and Timely: We are authorized to extend an invitation to Warren persons visiting in Pittsburgh the next two weeks to attend Dunn Brothers Miniature Circus on the 12th floor auditorium of the Kaufman department store. . . . Agitation is mounting, especially on the east end of the Renovo Division, against the plan of the Pennsylvania Railroad to suspend two trains that pass through Emporium daily. . . . A bill has been submitted in Assembly at Harrisburg that would repeal the 1931 law requiring mud flaps on the rear wheels of buses and trucks. . . . Another would require motorists to stop while a school bus is discharging passengers within a business or residential district as well as elsewhere. . . . And another backed by two Allegheny county representatives would prohibit the sale or use of air rifles or BB guns. . . . The large crowd on hand to see a delegation of county boys off for Harrisburg for induction in the Armed Forces was reminiscent of World War days. . . . The snow of last night and today should tend to extend the maple syrup season in the area, which was in danger of being terminated due to the balmy weather.

Most of South Carolina's cotton textile industry is located in its piedmont area.

Spiritual Diary for Lent

And Jesus, answering, sayeth unto them, Have faith in God. —Mark 11:22.

Today's Message

A doctor found it necessary to use a local anaesthetic in order to perform a delicate operation upon a little girl. In kindness he pressed a shiny half dollar into her hand and said, "Hold onto this, and think about it. It's yours. It will help you." The operation proceeded successfully. When the doctor visited his little patient the next day, she said, "Thank you so much for the wonderful words on the pretty coin—'In God We Trust.' I think about them all the time. They help me. They must help others, too."

Too many in our time are trusting in the face value of the coin alone and dismissing the expression of faith in God that is engraved on it. Where is your faith? Unless the object of your faith is right and mighty you will never reach your objective. Until you place your complete trust in Jesus Christ who loved you and gave Himself for you Heaven will elude you and earth will be a tangled maze in which you struggle hopelessly.

To heartbroken Martha at the grave of Lazarus, Jesus said, "If thou wouldst believe, thou shouldst see the glory of God." In those brief words is the eternal principle that faith will be rewarded here and hereafter.

—OLIVER W. HURST
Cleveland Park Congregational Church, Washington, D. C.

Today's Prayer

I do not ask, O Lord, that life should always be a pleasant road; I do not ask that Thou shouldst take from me aught of its load. . . . For one thing only, Lord, dear Lord, I plead, lead me a-bright, though strength should falter and though heart should bleed, through faith to light. Amen.—Adelaide Ann Proctor.

Building Operations State for 1952 Below Peak of 1950

Building operations reported by 15 Pennsylvania cities in 1952 showed that the year's activities were about the same as in 1951, far below the peak year of '50, according to figures from the Department of Labor and Industry in Harrisburg. Slightly under a half-million dollars was spent in 76,682 operations, somewhat under 1951 in money but a rise of 1.5 percent in the number of permits issued.

Approximately 60% was for residential construction; 24.6% for

non-residential; 14.7% for additions, alterations and repairs; and .6% for miscellaneous installations.

In the residential group, construction costs for proposed dwellings rose over the year, although the number of permits issued fell, 1,016 fewer families will be accommodated as a result.

The bulletin tells of the problems created in Bucks county, where many new communities now in existence and many under construction due to the high industrialization of the area, have overrun all boundaries of townships and boroughs; and given rise to tremendous problems of school, government, sanitation, transportation and highways. It is possible that a city, which would approach being the second largest in Pennsylvania, may have to be incor-

porated out of the group.

In the report, Warren is cited as having issued 146 building permits for a construction cost of slightly over one million dollars. Twenty-seven of these permits were for new homes; 45 were for new non-residential buildings; 74 were for repairs and alterations to existing construction.

Other municipalities of the county, Youngville showed 28 permits issued of which five were for new homes. Clarendon, Sugar Grove, Bear Lake, and Tidioute, were not included in the report.

COMMONEST FISH

Menhaden is the commonest commercial fish of the United States. Its names, in various parts of the country, include alewife, honyfish, bugfish, bughead, chebogue, fatback, greentail, mossbunker, oldwife and whitefish.

Kiwanis to Attend Holy Week Noonday Service Wednesday

Kiwanians in attendance at the weekly luncheon meeting at the YWCA Wednesday noon, in addition to listening to an interesting lecture-demonstration by R. Graham Fithian, public relations representative of the Bell Telephone Company of Pennsylvania, heard reports on a number of projects scheduled for the club.

Members were reminded that the club will attend the noonday Holy Week service at the First Baptist church at 12:30 o'clock next Wednesday, after which they will adjourn to the YWCA for the usual lunch.

It was announced that plans are being made for a pancake supper to be held Wednesday evening, April 15th, further details regarding which will be outlined later.

Clem Wolstencroft, chairman of the committee on achievement reports, urged chairmen to turn in statement of activities for the month.

Dr. Robert Steen received thanks from President Gus Carlson, in charge of the meeting, for the excellent programs enjoyed during the month of March.

F. E. Kieshauser, of the Turner Radio Shop, was welcomed back after his long illness and recent recuperating trip to Florida.

It was announced that a meeting of the membership committee was to be held today noon with chairman Cecil Winans.

A "get well" card was signed by members to be mailed to James A. Blomquist, of the Blomquist Furniture store, North Warren, who is undergoing a checkup at the Cleveland Clinic.

WSCS Gathering At Sugar Grove Largely Attended

Sugar Grove — Fifty-three women attended the Sub-District meeting of the WSCS held Tuesday in the Methodist church, the gathering including members from Akeley, Russell, Lander, Lottsville, Youngville and Sugar Grove societies.

Mrs. Mabel Garber, Warren, who is vice president, was in charge; Mrs. Neil Scott served as pianist for group singing; Mrs. Lloyd Price, Lottsville, district spiritual life secretary, conducted devotions; and the Rev. and Mrs. Gustav Erickson, Lander, sang a duet, "My God and I".

The morning session was given over to introduction and reports of district officers, who all gave brief talks. The promotion secretary reported 4,921 members in the Jamestown District. The nine district officers in attendance included Mrs. J. F. Reintz, New Castle.

A tureen dinner was served at noon and devotions were conducted by a group of Akeley women, with Mrs. Young as leader.

The afternoon session opened with a playlet by a group of Youngville women, after which Mrs. Reba Lowe, district president from Little Valley, N. Y., presented as guest speaker Mrs. Anna Chaffin, who has served as a missionary since going to Korea in 1913.

She has had to leave that country with other evacuated missionaries but had much first hand information on the effects of Communism on Christianity in Korea. A forceful and interesting speaker, she stressed very strongly the need for missionaries in Japan, Korea and other eastern countries "if we desire peace".

Concluding, Mrs. Edward Miller, Akeley, sang "I Walked Today", with Mrs. Fern Way as accompanist, and an offering for Korean work was taken.

FREWSBURG BRIDGE

The Frewsburg Duplicate Bridge Club again invites the public to participate in its weekly game to be played at 8:00 p. m. Friday in the IOOF Hall.

In last week's match, a six table Howell movement, Mrs. Oscar Huguist and Mrs. Leigh Burdick were high. Mr. and Mrs. David Cropp of Warren, second; Mr. and Mrs. Charles Cable, Warren, third; Mrs. Myer Kornreich and Mrs. D. A. Scallise, Warren, fourth; Mrs. Anabel Duff of Warren and R. H. Larsen, Jamestown, fifth.

SHEFFIELD CHOIR PRESENTING CONCERT

On Palm Sunday evening, beginning at 7:30 o'clock, the Sheffield High School Choir will present a sacred concert in the Tiona Methodist church and a cordial invitation is extended to all members and friends of the parish. Loren Wright will direct the musical group and an offering will be taken for the benefit of the choir.

Joan McAllister Becomes Bride of C. R. Littlefield

Two seven-branched candelabra and spring flowers decorated the altar of the stone Presbyterian church in Irvine at 7:30 p. m. Thursday, March 19, for the wedding of Joan Elizabeth McAllister and Charles Richard Littlefield.

The double ring ceremony was read by Dr. William J. Prout, pastor.

The bride is the only daughter of Mr. and Mrs. Harland McAllister, 1 Fifth street, Youngsville, and the bridegroom is the son of Mr. and Mrs. Archie Littlefield, 109 Marsh avenue, the same community.

Wearing white nylon tulle combined with lace, the bride chose a ballerina model with long sleeves in a fitted lace bodice, with puffed skirt. Tiered nylon tulle fashioned the skirt. A matching lace crown held her fingertip veil and her white Bible was covered with pink roses and showered with white ribbon streamers.

Her matron of honor and only attendant was Mrs. William Warner, wearing a ballerina gown of pale green organdy and carrying a colonial bouquet of yellow and white pom poms.

John Littlefield served as his brother's best man.

The bride's mother wore navy with white and Mrs. Littlefield had a tan and brown ensemble, each with a white carnation corsage.

Wedding music was played by Mrs. Darrell Pierce, using "Trail's End," "White Orchids" and "God Made a Rose."

The reception followed at the home of the bride's grandmother, Mrs. Clinton McAllister, 110 Marsh avenue, for 125 guests. The buffet table was prettily decorated and centered with a three-tiered wedding cake topped with miniature bride and groom.

Mrs. Littlefield is a graduate of Youngville High School, Class of 1952, and is employed by New Process Company in Warren.

Mr. Littlefield, graduate from the same high school one year earlier, has been employed by the National Forge and Ordnance, Irvine. He reported to Harrisburg this week to enter the armed services.

Group Meeting of WSCS Is Held at Clarendon Church

Clarendon—About 50 members of the WSCS of Clarendon and surrounding towns took part in a group meeting held in the local church. The morning session was opened at ten o'clock, a delicious tureen dinner was served at noon, and a missionary from Korea was featured among other afternoon highlights. She described conditions in that country and relates some of her own personal experiences.

Various problems of the differing groups were discussed and an exchange of views should benefit all concerned. Many expressed the hope it would be possible to have another such group session in the not too distant future.

Also well attended was the regular meeting of the local WSCS, held at the home of Mrs. Genevieve Kinch, with Mrs. Mildred Steele conducting devotions and having charge of the program, in which she was assisted by Mrs. Grace McBride, Mrs. Ina Bauer and Mrs. Elgin Simpson.

A short business session was conducted by the president, Mrs. Claudia Haag, in which the secretary of supplies reported several boxes had been sent to Korea. Mrs. Mary Campbell, missionary secretary, conducted an interesting quiz on missions; Mrs. Evelyn Meley, spiritual life secretary, read The Prayer of St. Patrick.

Concluding, refreshments were served by the hostess.

The next meeting will be held at the home of Mrs. Haag, when members are asked to bring clothing for children of all ages to be sent to the needy Puerto Ricans in New York City.

PREPARING PROGRAM

Corydon—The Church of the Nazarene is rehearsing a special Easter program to be presented on the morning of April 5. Teachers in charge are Rev. Viola Doverspike, Mrs. B. M. Stoltz, Geraldine Crooks and Mrs. Frank Coy.

Concert Renewals Due By March 31st

Members of the Warren Jaycee Concert Series who have not yet returned their application for membership in next season's series are asked to mail them before March 31st.

The music committee is hoping that a large percentage of current members will order this year by mail, which will make the big job of soliciting much easier during the membership campaign in April.

All those who do not order their tickets by mail this month will have to be called on personally by members of the citizens' committee and Jaycees, so Co-chairmen

John Haggerty and Tom Schor man will appreciate a heavy response by mail.

The final concert is April 6th and 7th, after which the official membership campaign will begin.

The pre-campaign mail order drive is for current members only. No new members can be accepted until the end of the official campaign and, then, only if there are vacancies.

Philomel Members re Delighted By Juniors' Program

A genuine treat awaited members of Philomel Club Wednesday afternoon when they gathered in the Woman's Club music room to enjoy the annual program presented by the Junior Philomel. Mrs. Joseph DeFrees, president of the senior group, opened the program with a welcome to the younger members and the presentation of Stavroula Fanos, Junior President.

Miss Fanos outlined briefly the program and activities of the younger unit, thanked the adults for their continuing interest and encouragement and presented her members in a delightful program of piano and voice.

Mrs. Alan Templeton was chairman for the tea hour, with Mrs. Jeanne Mitchell and Mrs. Harry Summers presiding. Centering a beautifully appointed spring tea table was a large mirror holding a crystal swan filled with orchid and yellow freesia, white and yellow jonquils. Smaller swans held floating narcissi and orchid and pink tapers were placed in crystal holders.

The next meeting for senior members will be on April 8, when the Mozart Club members of Jamesown come to present their annual exchange program.

SUGAR GROVE WSCS SETS BANQUET DATE

Sugar Grove—Mrs. William Saunders and Mrs. Richard Atkins entertained the Methodist WSCS at its regular meeting in the church parlors, with 19 persons in attendance. Mrs. Clifford Storms presided. After a film strip on Africa had been shown, Mrs. Neil Scott conducted the worship service, with Mrs. Palmer Taylor, Mrs. Walter Sweeney and Mrs. Howard Onink taking part. Mrs. Frank Conklin and Mrs. Travers Stohlberg sang a duet, with accompaniment played by Mrs. Scott.

At the business meeting, plans were made for a Penny Supper to be served April 17, with Mrs. Gerald Miller as chairman; also for the annual mother and daughter banquet on Wednesday, May 13. A letter was read from Doris Bloomster, recently ordained as a deaconess and serving as a missionary to the Navajo Indians in New Mexico.

Mrs. Scott, Mrs. A. G. Abbott and Mrs. Delmar Mickelson were named as a nominating committee; the group voted to purchase a trash burner for use by the church kitchen; two new members were received in the persons of Mrs. Richmond and Mrs. Mays.

EUB GROUPS MEET

Clarendon—Thrifty Club members of the Evangelical United Brethren church held their regular meeting at the home of Mrs. Blanche Fredericks, with Mrs. Mabel Blair conducting devotions. Following a brief business session, a social hour was enjoyed and refreshments were served by the hostess.

The regular meeting of the EBP Club was held at the home of Mrs. Mary Campbell, with a social time and refreshments were served by the hostess. The next meeting will be in Sheffield, with Mrs. Frances Christenson as hostess.

Reservations Open For Party at Elks

Entertainment committee members of Warren Lodge of Elks announce today that reservations are open for the eighth annual spring dinner-dance, to be held in the club ballroom on Saturday evening, April 11.

Because of the increasing popularity of these spring functions, the deadline on reservations has been set for two weeks from today, April 9, at 10:00 p. m.

Dinner will be served at seven o'clock, with something really unusual planned as a surprise for the ladies, and dancing will be from nine until one o'clock to the music of Orrie Beebe, his Hammond organ and his Trio.

A decorative scheme for the party will be worked out in the club colors of purple and white.

BARNES METHODIST GROUPS ARE BUSY

Barnes — WSCS members held their monthly business and social meeting in the Methodist church, with the president, Mrs. John Burns, conducting the business session and nine members answering roll call. It was voted to give \$5 to the Red Cross and plans were made for a rummage sale to be held in the church basement some time in April. Mrs. Anna Titus had the day's lesson and devotions.

The monthly dinner for workers of the Methodist Sunday school and members of the official board was held in the church basement, also. After the three dinner, Rev. Grant Mottern had charge of a short business session and it was decided to hold the dinners every three months in the future.

COOTIETTE CLUB PLANS ACTIVITIES

All members of the Hayseed Cootiette Club No. 302 are asked to bake cookies for the Easter party to be given for veterans at Warren State Hospital Saturday night; and are reminded the regular meeting of the group is scheduled at 2:30 p. m. Sunday in the post rooms. Every member is asked to be on hand.

Russell Auxiliary Entertains Glade Women at Dinner

Russell—Thirty-five members of the local Fire Auxiliary were hostesses for a pleasant gathering held last evening in the fire hall social rooms, when they entertained 30 members of the new Glade Township Auxiliary for a tureen dinner.

After the serving, an informal entertainment included games and contests under the direction of Mrs. Leonard Weston, Mrs. Ray Hewitt and Mrs. Mary Schreengost.

President Edna Safford conducted the business session, extending a cordial welcome to the visitors. Members voted \$5 gifts to both the Red Cross and Crippled Children's Committee; heard a report of \$88.50 realized from the rummage sale; and voted purchase of an electric mixer, some serving trays and five dozen forks.

Plans were discussed for the dinner to be served April 9 for the Pony Association, with Mrs. William Lyon in charge of the kitchen and Mrs. Mary Schreengost, the dining room committee.

Another of the weekly sessions of duplicate bridge will be enjoyed at the YWCA activities building at eight o'clock this evening and all interested are cordially invited.

Earl Downeys Are Honored Guests at Anniversary Party

Mr. and Mrs. Earl Downey, well known Tiona couple, were honored guests at seven o'clock last evening for a delightful dinner party given at the Hotel Carver in celebration of their 50th wedding anniversary.

A beautifully decorated three-tiered cake, topped with miniature bride and groom, featured the appointments, along with a center arrangement of spring flowers.

The Downeys were remembered with many nice cards and greetings, along with attractive gifts.

Mr. and Mrs. Downey were married March 25, 1903, in the Methodist parsonage in Warren, the Rev. J. E. McDonald officiating and his wife serving as witness. The bride was the daughter of Mr. and Mrs. Frank Eastwood, Oil City, and Mr. Downey's parents were Mr. and Mrs. Daniel Downey, Tiona.

They have four sons and one daughter: Frank, Limestone, N. Y.; Russell, of Eldred; Wayne, Bradford; Allen, Duke Center; and Eloise, at home. They also have seven grandchildren.

Mr. Downey was an employee of the South Penn Oil Company for 48 years, retiring in 1945.

WILTSE AID SOCIETY

Russell — Wiltse Ladies Aid members were entertained Wednesday afternoon at the home of Mrs. Victor Lundmark, with an attendance of ten members and two guests, Miss Olga Nordland, Los Angeles, Calif., and Mrs. Emil Nordland, Jamestown, N. Y.

Members finished working on their quilts and had a business session conducted by Mrs. Axel Carlstrom, with devotions by Mrs. Conrad Venman. Regret was expressed in news of the death of Mrs. Nellie Crull, former resident of Warren and the Russell-Akeley area, at the home of her son in California.

The next meeting of the group will be held at the home of Mrs. Willis Rogerson, 33 Hallock street, Jamestown.

EXTENSION MEETING

Barnes — Members of the local Home Economics Extension Group are holding an all-day meeting today in the church basement. At the last gathering of the club, the day was spent in learning to weave baskets. Mrs. Mary Ayers, of Warren, with Mrs. Henry Christenson and Mrs. Johnson of Cherry Grove, was present with baskets they had made and helped the local women get started on their project. A delicious tureen dinner was enjoyed at noon.

Parents Invited to Musical Program by Home St. Students

Pupils of the fifth, sixth and seventh grades in Home Street School have invited the parents of all pupils in the school to be their guests in the school's auditorium tomorrow at 2:15. The afternoon's program will show the pupils' musical ability.

The fourth grade will begin the program by playing "La Donna Mobile" and "Amaryllis" on their tonettes. Choral speaking will come next. The fourth graders will then sing "Ho Hi Ho," "Coopy Daisy Oh," "My Home's in Montana," and "Oh Susan Blue."

The fifth grade will give a musical playlet showing all the outstanding activities of the fifth grade during the school year. These activities have been set to music, and songs to describe them have been written by the fifth grade pupils.

For their part in the show the entire sixth grade will sing the "Morris Dance," "Oh! What a Lot You've Missed," and "When Your Potato's Done." The boys alone will sing "Defenders," and after them the girls will sing "Erie Canal" and "Song for Easter." The sixth grade will end its program with a square dance by eight of the pupils with piano accompaniment.

Miss Dorothy Lincoln, principal of the school, announces that for the first time a group of pupils playing in a band will add their bit to their program. The members of the band, who are taught by Harry A. Summers, are pupils in the intermediate grades.

Cemetery Association At Barnes to Meet

Looks Like March Going Out Like Lion

Bright - colored crocuses, which came into bloom a few days ago, were pushing their heads through a two-inch fall of snow when Warren county residents rose this morning and took a look over the countryside.

With March showing some productivity toward going out like the proverbial lion, snow began to fall about 10:15 p. m. Wednesday and continued intermittently until just before dawn. G. H. Reier, parks superintendent, reported a two-inch fall which melted into 1.7 inches of precipitation.

Steadily rising since early in the week, the Allegheny river reading at the Hickory street bridge reached 10.1 at noon Wednesday but had dropped to 9.46 this morning.

Snow flurries and a low of 28-34 degrees is predicted for tonight. It will be cloudy again tomorrow with snow flurries.

Service Clubs Near Interesting Talks By Bell Co. Official

Television signals can be sent 25 or 30 miles through the air using only half a watt of electrical power—approximately what is used by a small flashlight—R. Graham Fithian, public relations representative of The Bell Telephone Company of Pennsylvania, explained

ed in speaking before the Warren Kiwanis, Rotary and Lions clubs at their regular meetings held this week at the local Y.W.C.A.

Following a discussion of the general characteristics of television and the way programs are transmitted, Fithian described the new "Radio Relay" system which passes

network television programs and telephone calls from one tower to another all the way across the country, using tiny, microwaves, which are not affected by static or other interference. He also told of the operation of coaxial cable which is used for both television and telephone transmission.

Explaining that the Bell System's part in television is primarily that of carrying programs from one city to another, Fithian said that nearly 80,000 miles of television circuits are already available to broadcasters and the networks are continuing to expand. Many thousands of miles are in radio relay systems and the remainder are provided by coaxial cable.

"Radio relay waves are only three inches long and vibrate at a frequency of about four thousand million times a second", he explained. "Because they are so small, they are called microwaves. These very short waves are not affected by static from lightning, ignition systems, electric motors or other man-made devices, as are the longer waves used for radio broadcasting."

Fithian is a veteran telephone man, who has been associated with the Bell Telephone Company of Pennsylvania since 1930 and has held a number of posts in Pittsburgh and western Pennsylvania.

Fine Grove PTA Is Entertained by Fox, County Slides Seen

Russell—A Fathers' Day program featured the regular meeting of Fine Grove PTA, with Henry Petersen, in charge, showing slides on Warren industries and Albert Fox, Warren, providing entertainment and drawings.

President Axel Carlstrom, conducting the business session, appointed Mrs. Henry Petersen, Mrs. Ithurn Briggs and Mrs. Howard (Junkin) as a nominating committee; Donald Fehlman and Rael Springer as a committee to see about helping to secure books for the Russell Library.

After the attendance prize had been awarded the third grade, members of that group served refreshments.

WCS members of the Methodist church held their regular meeting at the church, the vice president, Mrs. Charles Pearson presiding and Mrs. Claude Pangborn having charge of devotions. It was voted to give \$10 to the Red Cross. Mrs. Pearson gave a talk on "The Vision from the Mount." To conclude, lunch was served by Mrs. Martha Houghwot, Mrs. Richard Enos and Mrs. Harold Hovis.

The Rebekahs held their regular meeting Thursday evening. Following the business meeting, members went to the home of Mrs. Mary Wall, where a social time was enjoyed and Mrs. Scott Phillips was presented birthday gifts. To conclude, lunch was served.

Missionary Speakers

The Rev. William J. Breidinger, left above, and the Rev. Joseph E. Doty, will be featured missionary speakers in a series of services to be held this weekend in the local Christian and Missionary Alliance Chapel. The initial service will be at 11:00 a. m. Sunday, with others at 7:30 p. m. on Wednesday and Thursday, April 1-2, and a cordial invitation is extended to all interested to hear these missionary workers.

Rev. Breidinger went to French West Africa under the CMA in 1926 and has completed five terms of evangelistic service. During his most recent term, he worked in the Dedougou District among Dafa and Bobo tribes, with a scattered population of 80,000. They were visited by the missionary in car and house trailer, preaching and teaching with the aid of African workers. A student preacher was located in each new town to consolidate and organize the group and once monthly all workers were gathered in the district station for a three-day institute of spiritual instruction, consultation and planning. Two gospels, Mark and John, have been translated and are being used as the basis for instruction of believers.

The other speaker, Rev. Doty, went to Indo-China in 1947 and, during the latter half of his term of service, lived and worked within walking distance of the world famous ruins of Angkor Wat in Cambodia. Mr. and Mrs. Doty took the gospel to 40 towns and villages, some of which had never heard a missionary nor seen a white woman. Fruit of their labors was granted in the form of baptism of 24 Cambodians and two Chinese and the dedication of a new chapel by Christians in a village ten miles from their station of Stam Reap.

Pleasantville Resident Nominated For 'Grand Old Man of Oil' by Local Citizen

Tulsa, Okla.—At the age of 88 Myron Pletus Folwell, Pleasantville, Pa., nominee for "Grand Old Man" award at the May 14-23 International Petroleum Exposition in Tulsa, is organizing a company to launch his second oil career with a wildcard.

Describing his nominee to William J. Sherry, chairman of the IPE "Old Timers" committee, Robert H. Swick of Warren, Pa., said Folwell rose from a roughneck to drilling contractor and producer.

Folwell was born five miles from Titusville, Pa., in 1864, five years after Co. Edwin L. Drake's rank wildcat discovery nearby started the petroleum industry.

Despite his age, Folwell is exceptionally active and serves as a bank director, township secretary, treasurer and assessor, and follows carpentering as a hobby, Swick relates.

Folwell began his oil career on a well-pulling crew in 1882 at Shamburg, Pa., which became a boom town when he was six years old in 1870 soon after the decline of the fabulous Pithole activity.

While working for Laurence Siggins he worked up to pumper and had the job of firing pump engine boilers. In 1888 he and "Faint" Lytle began drilling operations in the Pleasantville area. Some of their wells are on production, now Swick said.

With his own rig Folwell operated for many years in the Shamburg-Pleasantville area. In 1910 he acquired several oil properties which he operated until salt water forced abandoning of the field, his nomination states.

He met "Uncle Billy" Smith, driller of the 69 1/2 foot discovery well, Swick said.

His prestige and extensive knowledge of all drilling operations in the area have earned him the role of consultant on property values, Swick pointed out.

Other nominations may be made by writing the Old Timers Committee, International Petroleum Exposition, Tulsa, Oklahoma.

Guest Official Is New Resident of District FFA

(From Page One)
Everett Landin, principal of the school, welcomed the boys and complimented them upon their activities.
The FFA foundation medals were made by Karl Flows, a teacher of agriculture at Tionesta, to the following:
Star Farmer, Francis Spicer, Sugar Grove; Dairy Farming, the Gruber, Sugar Grove; Farm Safety, Marion Abbott, Sugar Grove; Farm Electrification, Clarence Benedict, Youngsville; Soil and Water Conservation, Charles amp. Jr., Youngsville; Farm Mechanics, Norman Kitzinger, Tionesta; and Public Speaking, Edward Foreman, Tionesta.
Paul Blum of Tionesta, and Darwin Ekstrom of Sugar Grove, were awarded a \$25 savings bond by the State FFA Association for having met the minimum qualifications for the FFA American Farmer degree. Robert Albright, Youngsville, and Richard Farver, Sugar Grove, teachers of agriculture in those schools, presented a number of other awards.
Honorary Chapter Farmer Degrees were presented to Charles Benedict of Youngsville, N. T. Kitzinger of Tionesta, Wallace Barlow of Sugar Grove, and Ralph Eckert, of Warren.

TROUT FOR COUNTY

High school boys who are usually unable to help with stream stocking because the fish arrive on school days, will have an opportunity, along with other fishermen, if they will meet at the Clarendon post office at 9 a. m. Saturday. An entire truckload of brown trout will arrive for the stocking of the West Branch of Tionesta Creek.

Judge Wade is secretary of the Judiciary body, and Harold Ervine, of Media, is chairman.

CONSTITUTION CHANGE
Harrisburg (AP) — A House-passed bill setting up machinery to revise Pennsylvania's 79-year-old constitution will require much study before it can be brought to the Senate floor for a vote, Sen. Donald P. McPherson (R-Adams) said today.

Giant-Size Map of The State Displays Main High-Lights

Philadelphia (AP)—Men pushing wheelbarrows, a battlefield monument, skyscrapers and Independence Hall are some of the things an artist sees in a broad view of Pennsylvania.

These and many more are part of a giant-size map of the state that went on display here today.

The mural 42 feet long and 18 feet high, was executed by Claude Rodewald, internationally known artist, for the lobby of the Penn Sheraton Hotel.

Rodewald, best known for his "Paris Street Scenes," started the mural in the shape of a map of the Keystone State. In their proper places he sketched objects and events symbolic of Pennsylvania historic spots. A pattern of one dot equals a city.

The men pushing wheelbarrows are close, on the mural, to belching smokestacks labelled, Allentown and Bethlehem. A battlefield monument indicates Gettys-

Interesting Letter Is Received From A Former Resident

The many friends of LeRoy Tunstall, son of Mrs. Alice Goff, Russell street, will be interested in contents of a letter just received from him by Bert G. Kotod, of this city.

Before leaving Warren for burg. Skyscraper skylines are part of the identification of the two biggest cities, Pittsburgh and Philadelphia. The latter also includes a drawing of Independence Hall.

Wheaton, Ill., to affiliate with the Sword of the Lord religious magazine. Mr. Tunstall was employed at the lunch counter of the Harvey & Carey store, corner Pennsylvania avenue and Liberty street. Excerpts from his letter follow:

"Dear Friend: I guess it has been some time since I have written to you. Well we are still here at the Sword. I was gratified in hearing of your C. B. M. C. project of a chapel for the YMCA.

"Dr. Herbert Lockyer, a prophetic speaker, is holding a series of meetings here in Wheaton, and speaks each noon at the Chicago C. B. M. C. Victory Center. It is possible some people in the Warren area may have heard him. The Victory Center is a project of the Chicago branch, I believe. Sword workers volunteers go up each third month and serve and pay for their meals on Sunday. This is when soldiers and sailors go for a free meal and we then point the

way of Christ to them. They have a little chapel and recreation room with ping pong tables, etc.
"The C. B. M. C. are having their annual convention international in Chicago this year, October 23. This is the 16th annual meeting and I hope you and a good delegation from Warren will attend. Please let me know so I can plan to be in the city to help show you around.
"Sincerely, LeRoy Tunstall,

Shift in Basic Relations of Government and Business Is Advanced Along Three Fronts

New York (AP)—The shift in the basic relations of government and business is advanced today along three fronts—Washington as an allocator of materials, as a setter of interest rates, and as an operator of industrial plants.

The consumer in time may see the effects in the price of such things as autos, tires, and appliances, and in the amount of them available, and also in the soundness of his dollar and the higher cost of borrowing.

The effect of this continuing shift in the fundamental relationship will come much quicker for the businessman.

The news items spelling out today the trend toward new relations are:

The cancelling of all civilian and defense supporting priorities for steel, copper and aluminum to be delivered after July 1.

The further sinking of government security prices to new lows and the rise in interest rates on Federal Housing Administration debentures.

The death sentence of the Reconstruction Finance Corporation as the lender of public funds to industry.

And the speed-up in the drive to get the government out of the business of making synthetic rubber.

Businessmen are thus put on notice that, after defense manufacturers get the metals they need, civilian goods makers must scramble for anything they can find. It will be old-fashioned competition again—no government priorities. And the bobby

Episcopal Parish in Youngsville Shows Remarkable Growth

St. Francis' Episcopal church in Youngsville has successfully paid off a church mortgage of \$3,500 in less than four years, according to the vicar, the Rev. William A. Chamberlain, Jr.

Starting in the second floor rooms of the Brokenstraw Grange Hall in West Main street on the first Sunday in February, 1949, with but 12 persons in attendance and those including four children, the parish grew so rapidly the present church house was acquired in July 1949, and converted into a

Fine Describes His Visit to Atomland At Malt Conclave

Philadelphia (AP)—Gov. John S. Fine "felt insecure and uncertain" as he watched the awesome fury of an atomic explosion in Nevada.

"Watching it I felt insecure, uncertain, before this awesome thing, evil in all its aspects," the governor told delegates to the annual meeting of the Malt Beverage Distributors Association of Pennsylvania yesterday.

"And yet," Fine told the group in an extemporaneous talk describing what he saw in Nevada as an official guest at an A-bomb blast last week. "I know it can be turned for our good... depending on the goodness of man himself."

Fine told some 800 members attending an association meeting that he has been gratified by the results of the law he signed two years ago establishing a distributor's licensing quota system for the state.

The governor said the law brought "security within the industry," and, as a result, has enabled members to build continued progress.

The three day convention, de-

members of the Salvation Army Band were at the Pennsylvania depot Wednesday night to assist in giving a proper send-off to the draft contingent from Warren county being inducted into the Army at Harrisburg today. Those in the band were Major and Mrs. Charles Schaffer, Donna Osborne, Terry Reist, Avonelle Burke, Janet Richard, Mary Ann Woodley, Shirley Osborne, Leonette Lauffenberger, Dorothy Stitsinger, Bonnie Matha, and Hughie Lauffenberger. Mrs. Burke and Mrs. Lauffenberger gave bags of candy bars to the draftees.

MOHLEN'S KIN RESIGNS FOREIGN SERVICE JOB

Munich, Germany (AP)—The U. S. consulate here announced today that Charles W. Thayer, American consul general in Munich and a brother-in-law of Charles (Chip) Bohlen, has resigned from the foreign service after a new investigation into his diplomatic career was ordered.

A 1933 graduate of West Point and a paratrooper lieutenant colonel in World War II, the 43-year-old Thayer plans to devote his full time to writing, the consulate press office announced. He is the author of books on his experiences as a diplomat in pre-war Moscow and post-war Belgrade.

Sen. McCarthy (R-Wis.) told the Senate yesterday that Thayer had been ordered home "and is, I understand, to be discharged."

Gromyko Reaffirms Soviet Peace Desires

United Nations, N. Y. (AP)—Russia's Andrei A. Gromyko charged today that "American doubletalk" was all that was holding up the peaceful settlement of East-West differences as called for recently by new Soviet Prime Minister Georgi M. Malenkov.

He defined the "doubletalk" as U. S. statesmen talking peace while at the same time, trying to overthrow the Soviet Union and other Communist countries.

Gromyko elaborated on Russia's proclaimed desire for world peace as U. N. delegates awaited the arrival from Moscow of chief Soviet Delegate Andrei Y. Vishinsky.

Seven Injured In Tripie-Car Crash Three in Hospital

Four persons were treated and three of them admitted at Warren General Hospital, out of a carload of six, following a three machine accident at Russell shortly after 10 p. m. Wednesday.

Admitted at the hospital were Greg Borger, an attendant at Warren State Hospital and driver of one of the cars involved; Carol Sinclair and Betty Klingensmith, also employees at the State Hospital. A fourth passenger, Anna Leech, was treated for bruises and brush burns and discharged.

State police said that their investigation showed that a Greyhound bus stopped at Russell, just north of the intersection, and that the bus was followed by a car operated by Ebba T. Porter, Warren RD 2. Following the Porter car was another driven by Harold C. Bloomgren, Akeley RD 2, with Borger's car bringing up the rear of the line, all headed toward Warren.

The first two cars stopped behind the bus, but Borger's car struck the Bloomgren car and drove it ahead into the Porter car. Borger sustained multiple lacerations of the scalp, chin and lips. Miss Sinclair is suffering from a possible skull fracture and shock, and Miss Klingensmith sustained lacerations of the scalp and right cheek. The conditions of all three is given as fair today, although police said they had not yet been able to talk to Borger or Miss Sinclair.

The car operated by Borger, a 1950 Chevrolet convertible, was deemed a total loss. Damage to Bloomgren's car was estimated at \$250, and to Porter's car about \$100. The bus was undamaged.

Cuba is 760 miles from end to end but only 100 miles wide at the widest point.

BULLETINS

Philadelphia (AP)—A running word battle between rival attorneys in a 250 million dollar anti-trust suit against 31 Eastern railroads has failed to settle a legal dispute over documents allegedly stolen from files of a New York publicity firm.

United Nations, N. Y. (AP)—Andrei Y. Vishinsky, returning to the United Nations today from Moscow, faced a new Western challenge to bring a Kremlin sign that it really is ready to negotiate for peace and an end to the cold war. The Soviet spokesman was aboard the liner Queen Mary, due to dock in New York this afternoon.

Washington (AP)—President Eisenhower begins cold war strategy talks with top French leaders today amid reports the U. S. is ready to transfer available funds to rush military aid to Indochina.

Washington (AP)—The Senate took time out today in the Eisenhower administration's first open foreign policy fight with Sen. McCarthy (R-Wis.), centering on Charles E. Chip Bohlen's nomination to be ambassador to Russia.

Atlantic City, N. J. (AP)—The CIO United Auto Workers convention stood ready today to pass President Walter P. Reuther some ammunition to use in his current unofficial negotiations with the auto industry.

Washington (AP)—Chairman Wolcott (R-Mich.) of the House Banking Committee said today he opposes an Eisenhower administration plan to extend general rent controls to Oct. 1.

Oil City, (AP)—Services will be held Saturday for Howard H. Lowrie, 80-year-old director and former secretary of the Quaker State Oil Refining Co., who died yesterday.

in the auto industry, as production rises and sales hold to their old levels.
Although car making costs are going up, the president of Chrysler says that the company can turn out more cars now than under controls, and greater volume permits lower prices.
But observers note that the entire industry is pouring out cars on the eve of its big selling season. And this comes when the used car dealers are holding around 25 percent larger stocks than they did a year ago, and are worried about how these are going to move in the weeks ahead.
Price rises in other goods are largely from the widening ripples in the decontrol pond.
Phelps Dodge, the second largest domestic copper producer, is advancing its copper price again. At its new price of 30 cents a pound its copper is now 5 1/2 cents higher than it was under controls.
Previous price hikes in the copper industry have sent various firm's prices to a consumer-confusing range of 27 1/2 to 36 1/2 cents.
This is rippling out through the manufacturers of goods from copper. Revere Copper & Brass is increasing prices on most of its copper-clad stainless steel cooking utensils by 4.5 percent. The price of stainless steel has also risen since decontrol.
If you're planning to build a home, you'll likely find prices up on cement, brick, gypsum products, wall board and plumbing supplies. Hikes in all of these are announced today by individual producers.
But not all prices are rising. Most, in fact, are holding steady with decontrol playing no part. And some are definitely on the weak side.
Example: Corporate bonds. Prices are going down, and interest costs are going up—as the Georgia Power Co. and the Dallas Power & Light Co. found out yesterday when they placed issues on the market.

Flying Ants Season
May Mean Trouble
For Home Owners

Harrisburg — The season for "flying ants" is here, accompanied by the uncomfortable feeling that they might turn out to be termites.
Swarms of winged insects may appear on a warm spring day, coming from baseboards or cracks in the floor in homes in such quantities they can be swept up with a broom. If they are true flying ants they are practically harmless compared to termites. But if they are termites the chances are that wood timbers in the house may be riddled and weakened with tunnels made by the voracious insects.
There is a rather simple way to determine whether or not the flying insects are ants or termites, says Dr. A. B. Champlain, principal entomologist in the Bureau of Plant Industry, State Department of Agriculture.
If the insect, on close examination, has a very thin, wasp-like waist, it is an ant, the insect specialist explains. However, if the pest has a heavy midsection and its body looks like that of a tiny roach, chances are that it is a termite. If in doubt, send a few of the insects in a small vial or box to Dr. Champlain and he will make an identification.
Termites that swarm into the open in the spring are "commando troops" sent out from underground nests to start new colonies, the entomologist declares. They seek new fields of operation in wooden beams or sills in contact with moist earth. These migrating pests are dark brown or black in color and have wings. They may be found outdoors as well as in the house.
Working termites cannot live long when exposed to daylight or dry conditions. Their nests usually are deep underground where it is moist, outside foundation walls. Various chemicals are used for destroying the nests and are named in a sheet of instructions that may be obtained on request to the Department of Agriculture at Harrisburg.

Cropp Firm Acquires
Tionesta Lumber Mill

Tionesta — Cropp Farms, Inc., Tionesta lumber company, this week bought the Jamieson Lumber and Supply Co. plant here for \$20,000 at a sheriff's sale.
The purchase includes two lots and the Jamieson factory, which for the past few years has been turning out pallets. The Jamieson

plant, however, was operating on a very small scale recently, with only one or two employees.
F. L. Cropp, vice president of Cropp Farms, said his firm is considering keeping the sawmill in operation, perhaps for a year. Subsequently it may add a handle manufacturing works which likely would mean increased employment for the factory.
Mr. Cropp was unable to estimate how many new workers would be needed if the operation

was expanded, but he said that if new workers are needed they will be hired from the Tionesta area.
Cropp Farms operates several lumber mills in area forests, and also has a builders' supply house in Tionesta besides the new plant.
It is understood that the purchase price did not cover all the liabilities of the Jamieson firm.

but the total liabilities could not be learned.
Former owners were several members of the Jamieson family in Tionesta.
New processes have been discovered to use lignite, a low-grade coal, for cheap generation of electricity.

Expanding Hot Stove League Needs Financial Aid

OFFICERS ARE ELECTED FOR 1953 SEASON

Warren Hot Stove League members began setting the stage for an even larger 1953 and re-elected capable Charles Musante as president for the fifth consecutive year at a meeting held in the Trinity Memorial Parish House last night. Other officers chosen were Ned Henry and John Carbon, vice presidents; Jerry Peterson, recording secretary; Vern Pearson, financial secretary, and Lawrence "Red" Whitten, treasurer.

The retiring officers are Jerry Archibald and Angus Bailey, vice presidents; Dick Swanson, recording secretary; Roger Hendrickson, financial secretary, and Robert Moorhead, treasurer.

Roger Hendrickson, one of the most active participants, stated there will be even greater interest shown in Hot Stove this year and the number of registrants could easily extend over last year's figure and would cause a difficult financial situation. In 1952 the range of the program took in 800 boys from Warren and the immediate areas.

With the increase of the program's range and the fact that the uniforms—now four years old—are beginning to come apart, the committee immediately started discussing ways and means of finding the necessary finances to run this year's league on a successful basis.

Due to the fact that approximately \$500 is spent on each boy per season it was the unani-

PRESIDENT MUSANTE

mous feeling of the representatives to raise the registration fee from 25 cents to \$1.00 this year as one form of increasing the income. Money making projects were then discussed and several investigating committees were appointed to look into the various ideas.

The tremendous success of the Hot Stove League in Warren has been evidenced in the past, and it is the sincere hope of the committee that the financial problem will not stand in the way this year. When President Musante and interested baseball enthusiasts started the organization in 1949 there were about 400 players, double what they expected, and by last year that figure blossomed into 800.

The league is broken down into five divisions, the Bantams, 8-9; Midgets, 10-11; Cadets, 12-13; Intermediates, 14-15; and Juniors, 16-18.

Only a dozen or so members

were in attendance last night, which means that more interest will have to be shown on the part of parents and leaders. The next meeting of the committee will be announced by President Musante and it will be a must that each of the 11 districts have a representative, so that district chairmen can be appointed.

Besides the members at large last night were Ray Lord, District 1-2-3; John Carbon, District 4; Lawrence Whitten, District 5; Vern Pearson, District 6; Charles Musante, District 7; Steve Massa, District 8; Bob Anderson, Pleasant Twp.; Rog Hendrickson, North Warren; Ned Henry, Clarendon, and W. R. Pehlenschlager, Youngsville. There was no one present from District 9.

The committee last night was very happy to have Ray J. Reed, chairman of the Citizens' Recreation Committee, present to see if the league had any recommendations his group could consider.

Brooklyn Dodgers' Pitching Staff Is Impressive for '53

By BEN PHILEGAR

A Sportsman

Last year the one thing the Brooklyn Dodgers lacked was good pitching. This spring they're wallowing in it.

In their last four games Brooklyn pitchers have put together 30 consecutive scoreless innings during which they yielded only 34 hits—amazing figures for a team that won the 1952 pennant by clubbing the opposition to death.

All the more impressive is the fact that more than half of these scoreless frames have come from rookies not even on the Brooklyn roster.

Glenn Mickens, a 22-year-old right-hander with less than two seasons of organized ball under his belt, started the string last Saturday as he shut out the Boston Red Sox in the final three innings of an 8-4 victory.

Carl Erskine, the No. 1 starter, shut out the Philadelphia Athletics on two scrawny hits as he went all the way on Monday.

Left-hander Johnny Podres, a 20-year-old from the Montreal Royals, mowed down Montreal for seven scoreless stanzas Tuesday and Ron Negray, who came up from St. Paul late last season, continued the goose eggs in the final two.

Yesterday it was Bob Milliken, just out of the Army, for six and relief ace Joe Black for three as the Dodgers edged the Milwaukee Braves, 1-0.

Oklahoma A&M and Brauley Targets In Athletic Clean-up

Chicago (AP)—Oklahoma A&M and Bradley have become targets in an athletic cleanup campaign of a powerful accrediting academic agency, and an official of the group today warned that "it's just the beginning."

The North Central Association of Colleges and Secondary Schools has acted to drop the Stillwater, Okla., school from academic accreditation and place the Peoria, Ill., university on a one-year probation.

The recommendation for such a move was made at the association's annual week-long meeting yesterday by its Commission on colleges and Universities. The Association's Executive Committee immediately approved it.

Officials said the matter will be placed before the NCA's entire delegation tomorrow and ratification by that body was more or less a formality.

Araujo's Win Over Davis Means Try at Lightweight Title

Cleveland (AP)—Methodical George Araujo, an easy winner over Teddy "Red Top" Davis, took a spectator's seat today to await his turn at trying for the lightweight boxing championship.

Tommy Collins gets his chance April 24 in Boston when he battles the champion, Jimmy Carter. Araujo has been promised a crack at the winner within 60 days.

Araujo left little doubt last night about his fight to a fistsuffs Ed. D. while winning a unanimous and easy decision over Davis in a nationally televised bout at Cleveland Arena.

Ranked No. 1 in the lightweight division, Araujo raked Davis with lightning lefts and smashing rights to the head. The steady pounding opened a cut over the Hartford, Conn., battler's right eye in the sixth round. Except for an occasional right to his jaw, the Providence, R. I. boxer had little trouble with "Red Top."

Although a 2-1 underdog, Davis had been expected to give Araujo more trouble by crowding him. He surprised everyone by staying away.

The unanimous verdict was 7-2-1 by referee Tony La Branch, 8-2 by Judge Herb Williams and 7-3 by Judge Charlie Bill. A total of 6,319 fans, many who grabbed special \$1 seats, paid a gross of \$10,060. Araujo weighed 133½ to 133 for Davis.

Sharon vs. Yeadon Game Will Be on T Saturday Evening

In the Western PIAA Class basketball finale at the Pitt Field House last night, Sharon (District 7) had no difficulty in toppling Meadville (District 10) to become the first school to capture regional crown five times. It was the first time Meadville's Section Two champs had ever made the regional title game.

The Tigers more than double Meadville's first quarter output 16-7, built their lead to 18 points at halftime, 32-15, and then coasted to a 55-45 victory while concentrating on defense.

In the East and riding the crest of five playoff wins, Yeadon High, a Class B team—smacked down power-laden Allentown, 60-45. Allentown had never lost an Eastern regional final in five previous tries.

Sharon and Yeadon will battle for the state crown at the University of Pennsylvania Palestra in Philadelphia at 7:30 Saturday night. The game will be televised first time in history.

Bill Brown Leaves For Midland, Texas

William R. "Bill" Brown, popular Warren athlete, left Warren at 1:00 a. m. today for Pittsburgh, where he will catch a plane for Midland, Texas, and Spring training with the Longhorn League team.

It is the second year the former Warren diamond star has signed with the Midland Class C club, having been sold by the Erie Sailors after the 1951 season.

Since his graduation in 1948, Brown has been seen in action locally with the National Forge, Glendora and the Warren Merchants, and in addition served a hitch in the U. S. Navy.

He is the son of Mr. and Mrs. Ralph C. Brown, 111 Center street.

Flowers Go To Your Head On Easter Hats

7⁹⁸ to 14⁹⁵

They are either all flowers or straw with huge roses, or tiny Spring flowers encircling the crown or brim. Choose from natural, navy, red, black, or pastel straws.

Juniors Will Love Our Swishing Scoop Neck Sheer

19⁹⁵

A swirling, crisply starched rayon sheer for Easter! Sleeveless bodice and wide, wide skirt are shot with velvety white splashes. Snowy pique cuff races around the deep-scooped neckline. The whole dress is underlined by a rayon taffeta slip... bordered with a saucy can-can ruffle.

Nylon Slip With Permanently Pleated Bodice and Ruffled Hem

2⁹⁹

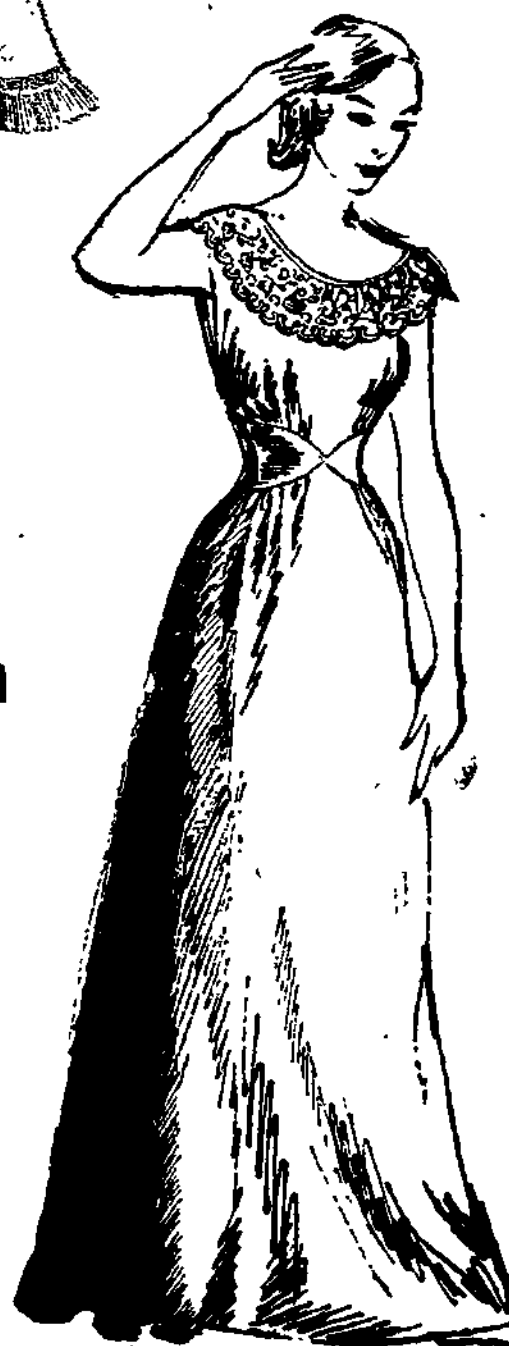

So exquisite under your Easter dress. This nylon tricot white slip with the pleats that will not come out. Sizes 32 to 40.

Nylon Gown Lavishly Lace Trimmed

3⁹⁸

You will not believe your eyes when you see this nylon gown and realize it is only 3.98! A wonderful gift for Easter... or for your very own. Pastel shades.

The Ideal Suit Blouse in Rayon or Cotton

2⁹⁸ - 3⁹⁸

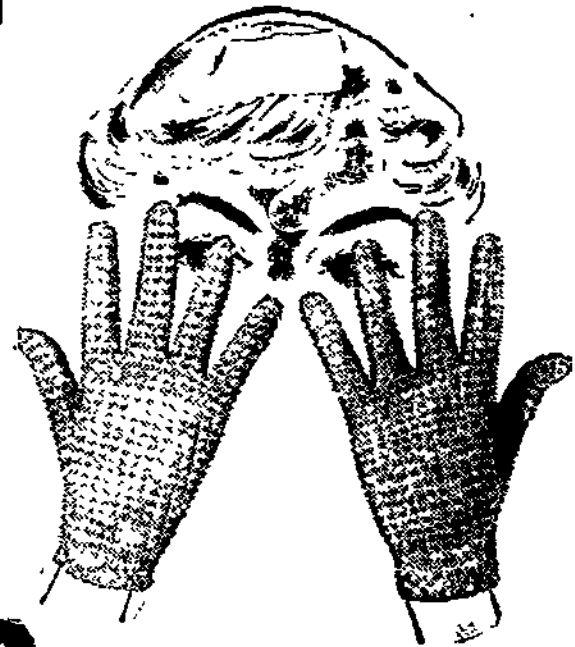

These blouses are just right for under your Easter suit jacket. Tailored or lace trimmed rayon or cotton. White and pastel shades.

NYLOVENT GLOVES by Kayser

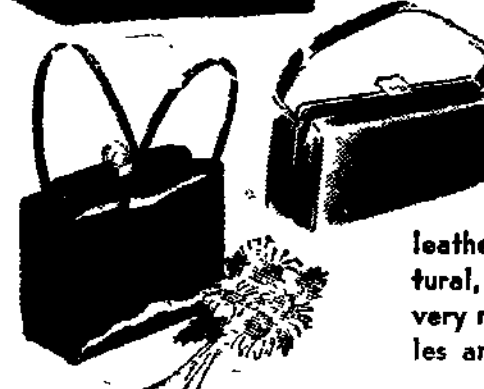

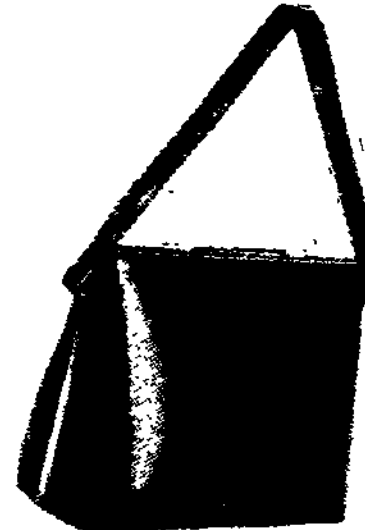

\$2

A double woven nylon glove exquisite in its mesh weave. Choose it in white, doekin, or navy.

Genuine Leather Handbags Complete Your Costume

4⁹⁸ to 14⁹⁵

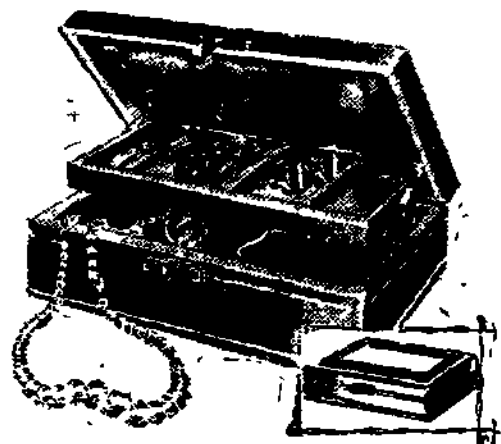

Why spoil the appearance of your Easter costume with "just any old bag." Make it complete with one of our beautiful genuine leather handbags in brown, natural, navy, black, red. All the very newest styling. Top handles and clutches.

Give Her a Jewel Box In Leather

3⁹⁵ to 6⁹⁵

The inside is beautifully lined in rayon satin with either a gold leaf pattern or solid colors, deep or pastel.

Jewelry Enhances The Beauty of Your Ensemble

\$1 to 3⁹⁵ Plus Tax

- Pins
- Earrings
- Necklaces
- Bracelets
- Rhinestones
- Tailored Silver or Gold
- Stone Set

Such an array of jewelry! From tiny pins to huge ones, from rhinestones and stone set jewelry to tailored pieces. You are sure to find just the right piece in this selection.
